

Diamond Ranch High School Instrumental Music Department Booster Philosophy

The philosophy of the Boosters Association is to act as a support group for the total Instrumental Music Program. This includes the Color Guard, Concert Band, Marching Band, Winter Guard, Winter Line and all other ensembles and activities of the music program.

Purpose

The Boosters Association exists to provide moral, logistical and financial support for the total instrumental music program. The membership is open to all parents and guardians of members of the Diamond Ranch Instrumental Music Department. There are general meetings held monthly as required by the Constitution and By-laws.

Moral Support-The most important function of the boosters is to provide encouragement to all members individually at home and collectively at rehearsals and performances. Booster/parent attendance at concerts, competitions and events is very important to all student members.

Organizational Support-The music program needs a large amount of adult assistance for uniform management, chaperones, equipment, truck and transportation needs, food support on trips, communications, public relations and many other duties and functions.

Financial- The Boosters sponsor numerous fundraising events each year and provide substantial support to the music program.
